

Park County Road Classifications

The Park County Commission uses tax dollars to maintain County roads and bridges with the funds available. The board of county commissioners, under the limitations and restrictions that are prescribed by law, may: (a) (i) lay out, maintain, control, and manage county roads and bridges within the county; (MCA Code 7-14-2101)

It is the Park County Commission's goal to maintain the roads in Park County by prioritizing the roads by usage patterns. The following usage patterns are submitted to the public for their input.

Class 1: High traffic/ or school bus route; regularly scheduled maintenance as time & funds allow

Class 2: Medium traffic; regularly scheduled maintenance as time & funds allow

Class 3: Low traffic; occasional maintenance as time & funds allow

Class 4: Seasonal traffic; maintenance once per year

Class 5: Not maintained, county retains ownership
