PARK COUNTY ROAD WORK PERMIT APPLICATION

Any work on a Park County road or a new subdivision road requires a Permit Application, available through the Park County Commissioner's Office.

Applicant or applicant's Contractor must have proof of Contractor liability insurance; holding the County harmless in the amount of \$1,000,000.

NO WORK may be performed until the Park County Commission has given written preliminary approval to the project. The work shall not interfere with public use and shall ensure safety as needed, i.e. flag people, signs, etc.

New permits are not required when work is being completed on a previously permitted project, e.g. Repairs to a previously permitted cattle guard or other encroachments.
