

Planning & Development Board

November 17, 2016

Attendance: Planning Board Members Peter Fox, Mike Dailey, Frank O' Connor, Dave Haug, Rich Baerg; Michael Inman, Lawson Moorman, Park County Planning; Shannon Piccolo, Park County Attorney; Emily Post, Park County Communications; Andrew Hagemiere, Land Solutions; 114 members of the public (see attendance list).

Call to Order: 4:02 pm, Peter Fox called the meeting to order.

Introduction by the Planning & Development Board Chair: Fox introduced the members of the Planning Board. Fox went over the rules of the public hearing requesting that individuals limit their comments to no more than 5 minutes and that the Board may recess the meeting after public comment has been collected to allow time for deliberation at a later date. Fox also noted that any public comment submitted referencing the Growth Policy after this meeting would be forwarded to the County Commission.

Draft Growth Policy Update presentation by Land Solutions: Hagemiere presented an overview of the draft Growth Policy, the reason for the draft update, the specific goals and objectives of the draft and the process and legal requirements for developing and adopting the draft.

Open Public Hearing: There were 44 public comments surrounding the Growth Policy (see transcribed comment list).

Meeting Recessed: The Board deliberated and agreed that there was too much public comment to adequately consider it all immediately. The Board determined to continue the Public hearing in place of the next regularly scheduled meeting on December 15th. Fox officially recessed the meeting until December 15th at 1:00 pm in the City/County complex Community Room.
