  - Active Transportation Plan
    - i. Identifying City & County shared priorities
  - City and County Current/Future Projects
    - i. Identifying City & County shared priorities
  - How to move forward as a united front?
    - i. Do we need a process to further identify shared priorities?
    - ii. How do we develop meaningful, productive ways to collaborate?
    - iii. What are we asking of the City and County Commissions? For example,
      1. Acknowledgment or endorsement of priorities
      2. Collaboration on grant effort: staff support, letters of support
      3. United front regarding MDOT projects
      4. Other?
3. Updates:
  - Girl Scouts - info regarding \$1 transfer? Follow-up with Stefanie Harrington.
  - Skate Park
  - Adopt-a-Trail - progress in publication, discuss applications
  - Sacajawea Statue: pavilion, city commission transfer of fund oversight, pardon for Maple tree, 10th anniversary planning (July 15 or 16?)
4. New Business
  - Proposal (James Bennett) to make Bozeman Connector Trail an off-leash trail. *"My observation is that most dogs are off leash already and the environment on the trail with dogs and humans is very positive. Dogs seem happy."*
  - Beaver damage at Mayor's Landing
    - i. Thoughts from pre-meeting visit with Bill Campbell
    - ii. Potential funding, plans
