

BOARD OF HEALTH WORK SESSION AGENDA

MONDAY NOVEMBER 24, 2014

CITY-COUNTY COMPLEX/EAST ROOM

A special work session to discuss the Director of Nursing position and a discussion on the future direction the Park County Health Department would like to take.

1. Call to Order at 5:30pm.
2. Introductions—Introduction of all participants
3. A Facilitated discussion based on the state statutes for Public Health Policy MCA 50-1-105

Ted Madden, MBA, Executive Director Park County Community Foundation

Barbara Woodbury, R.S., M.P.H.  
Park County Director of Environmental Health

- (a) promoting conditions in which people can be healthy;
- (b) providing or promoting the provision of public health services and functions, including:
  - (i) monitoring health status to identify and recommend solutions to community health problems;
  - (ii) investigating and diagnosing health problems and health hazards in the community;
  - (iii) informing and educating individuals about health issues;
  - (iv) coordinating public and private sector collaboration and action to identify and solve health problems;
  - (v) developing policies, plans, and programs that support individual and community health efforts;
  - (vi) implementing and enforcing laws and regulations that protect health and ensure safety;
  - (vii) linking individuals to needed personal health services and assisting with needed health care when otherwise unavailable;
  - (viii) to the extent practicable, providing a competent public health workforce;
  - (ix) evaluating effectiveness, accessibility, and quality of personal and population-based health services; and
  - (x) to the extent that resources are available, conducting research for new insights on and innovative solutions to health problems;
- (c) encouraging collaboration among public and private sector partners in the public health system;
- (d) seeking adequate funding and other resources to provide public health services and functions or accomplish public health system goals through public or private sources;
- (e) striving to ensure that public health services and functions are provided and public health powers are used based upon the best available scientific evidence; and
- (f) implementing the role of public health services and functions, health promotion, and preventive health services within the state health care system.

- **Identify timeline and next steps**
