Located in south-central Montana, Park County is surrounded by four majestic mountain ranges and encompasses the beautiful Paradise and Shields valleys. Park County covers more than 1.6 million acres ranging in elevation from 4,000 to 12,000 feet and includes the highest point in the state, Granite Peak. The county has a population of 15,682*.

Partially bordered by Yellowstone National Park to the south, Park County's natural resources provide a wide variety of sights and activities for thousands of visitors each year. The Yellowstone River originates in Yellowstone National Park and runs clear, clean and undisturbed through Park County from Gardiner to Springdale, drawing all manner of outdoor enthusiasts. Activities include world class fly fishing, hunting, skiing, rock climbing, boating, camping, hiking, horseback riding, dude ranching, snowmobiling, wildlife photography, and bird watching.

The historic city of Livingston is the county seat and the original Northern Gateway to Yellowstone National Park. A former thriving hub for the Northern Pacific Railroad, Livingston was once called home by the colorful Calamity Jane. Several smaller communities include Cooke City and Silvergate located on the southeastern edge of the county and accessed year-round only by passing through Yellowstone Park; rustic Gardiner and Jardine which are located in prime wildlife viewing areas; Pray and Emigrant located in the aptly named Paradise Valley; Clyde Park, Wilsall, and Springdale that embody hard working ranching communities.

Park County's diverse economy ranges from agriculture, logging, mining, health care, art and recreation to internet service providers and other digital technologies. Three high schools, 4 private schools, and several elementary schools are spread throughout the community. The county has a critical access hospital, two medical clinics, and four airports.

Budget Message

August 30, 2014

Residents of Park County:

This document is the final budget for Park County, Montana for the fiscal year ending June 30, 2015. A brief summary of the budget follows with explanations of noteworthy changes in the coming fiscal year.

Overview of Budgeted Resources

The following table depicts beginning fund balances, budgeted revenues, budgeted expenditures, and estimated ending fund balances for the coming year. This table reflects estimated revenues of \$16,812,303 and budgeted expenditures of \$19,308,951, resulting in a projected ending balance of \$15,655,107 for all funds. This ending balance is 1.6% more than the prior year. All county funds are included in this table, broken down between Governmental Funds and Proprietary Funds.

Projected Changes in Fund Balance/Cash Balance Final Budget – July 1, 2014 through June 30, 2015

	Governmental Funds				Proprietary Funds	Total All funds
	General	Special Revenue	Debt Service	Capital Project	Enterprise	
Beginning Fund Balance	\$619,246	\$4,208,942	\$4,295	\$10,064,842	\$3,254,430	\$18,151,755
Plus Budgeted Revenue	\$3,320,400	\$10,628,902	\$0	\$1,589,311	\$1,273,690	\$16,812,303
Less Budgeted Expenditures	\$3,491,446	\$11,981,466	\$0	\$2,535,065	\$1,300,974	\$19,308,951
Estimated Ending Fund Balance	\$448,200	\$2,856,378	\$4,295	\$9,119,088	\$3,227,146	\$15,655,107

In the past the county has followed a practice of budgeting revenues conservatively and budgeting expenditures for "worst case scenario." This practice recognizes that it is easier to acknowledge an excess of revenue than to deal with a shortfall. Not all county funds will experience expenditures that approach the level of "worst case scenario," but this approach will accommodate a number of unforeseen and/or uncontrollable expenses, such as fuel price increases or accidental losses.

With this in mind, it is understandable why estimated ending fund balances are lower than beginning fund balances in several budgeted funds. Typically, actual ending fund balances wind up being more than was estimated at the beginning of the fiscal year. For example, in fiscal year 2014 the projected ending balance for the General Fund was \$348,982, but the actual ending balance was \$619,246. With

close oversight and tracking of its operating budgets, Park County continues to remain in a positive cash situation.

For fiscal year 2015 the county commissioners expressed the desire to budget revenues and expenditures closer to historical actual amounts, and for expenditures to remain at or below revenues. This is specifically reflected in the Enterprise Funds.

Highlights of the FY15 Budget

Taxable values and mill levies

The county-wide total taxable value of property was certified by the Montana Department of Revenue to be \$40,418,029 for fiscal year 2015 calculations. Of that amount \$416,588 is the value of property in two Tax Increment Financing (TIF) Districts within the city of Livingston. The TIF uses gains in property taxes within the District to finance infrastructure improvements within those Districts. The difference between the base year amount and the current year amount is not available for use outside of the TIF. The taxable value of property in Park County is calculated by subtracting the value of the TIF from the total taxable value, which comes to \$40,001,441 for fiscal year 2015. The value of a county-wide mill is 1/1000 of the taxable value of property (less the TIF) in Park County, so one mill is \$40,001 for fiscal year 2015.

The County general purpose mills are apportioned among the following funds: General, Bridge, Weed Control, Fair, Airport, District Court, Comprehensive Insurance, Library, Shields Valley Senior Center, Law Enforcement, and Museum. The growth in number of mills for these aggregate mills went from 84.11 mills in fiscal year 2014 to 84.53 mills in fiscal year 2015, per calculations according to Montana Code Annotated 15-10-420.

The increase in value of a county mill and the increase in number of mills allowed to be levied are expected to increase tax revenues for the County general mills by 1%, from \$3,345,934 in fiscal year 2014 to \$3,381,322 in fiscal year 2015. Some of this increase can be accounted for by the Montana Department of Revenue's phased-in increase in reappraisal values. However, those increases are offset by a decrease in taxable valuations due to Senate Bill 96, which reduced the personal property tax on business equipment. Thus the county's general mills increase of 1% is a function of both an increase in appraisal values and a decrease in taxable personal property.

This tax reduction had a greater impact on taxable values in the north part of the county, due to the number of mid-to-large farms with heavy equipment on which personal property tax is assessed. Some districts in the north part of the county actually saw decreases in their taxable value.

When the 2013 Montana Legislature passed Senate Bill 96, which reduced the business equipment tax, they provided reimbursement through the state's entitlement program to local governments as compensation for lost revenue. The entitlement payments scheduled for 2015 were used to adjust calculations (downward) for the annual growth in number of mills, and are reflected in the small increase noted above, from 84.11 mills in fiscal year 2014 to 84.53 mills in fiscal year 2015.

Non-tax revenues for the same funds are budgeted to increase 16%, from \$3,444,368 in fiscal year 2014 to \$3,986,079 in fiscal year 2015. This is largely due to an FAA grant for the Airport fund for a Capital Project for snow removal equipment and a new plow.

The Park County Commissioners levied the entire authorized amount of the County general purpose mills again for fiscal year 2015.

Public Works

In the fall of 2013, the county commissioners filled the newly created position of Public Works Director, whose duties include oversight of all county infrastructure. This position is funded by proportionate transfers to the General fund from the Road, Bridge, Landfill, and Refuse Funds.

Road

The Road Fund accounts for costs related to maintenance and reconstruction of county roads. The county commissioners believe that deferred maintenance to the road system over a number of years has led to their current state of disrepair, and that the county's roads are in dire need of upgrades. In order to make these upgrades, they have increased expenditures by 20% for the Road fund, from \$1,562,285 in fiscal year 2014 to \$1,876,065 in fiscal year 2015.

Budgeted revenues for the Road Fund increased 17% from \$1,555,708 in 2014 to \$1,815,915 in 2015. Although expected tax revenue will increase just 2%, non-tax revenue is expected to increase 22%. This is largely due to a transfer of \$385,000 to the Road Fund from the Payment in Lieu of Taxes Fund (PILT), which is necessary to support Road Fund activities.

Refuse

In 2011, the county commissioned a study to review existing methods of handling solid waste and to provide alternatives. The commissioners chose to pursue the alternative of using the city of Livingston's transfer station for waste disposal, and in fiscal year 2013 the county transitioned to using the city's transfer station for disposal of all county waste. Fiscal year 2014 was the first full year of implementing this practice, and fiscal year 2015 will see a continuation.

Concurrent with use of the city of Livingston's transfer station, operations at the county landfill were greatly reduced and will remain so in the coming fiscal year, reflected by a 2% reduction in appropriations. As a result, the county's contributions to the Landfill Trust Fund were recalculated, per Montana Department of Environmental Quality requirements. The county remains in discussion with the DEQ as to what is necessary to further implement planned reductions to the landfill's uses and size.

In August 2014 the commissioners passed Resolution 1192, which amended the Park County Refuse District #1 fee policy and schedule of charges. This resolution formalized the number of assessments for residences and businesses, as well as allowing an assessment against tax-exempt properties such as schools. The total value of each assessment did not change, but remains at \$155, of which \$12 is applied to the landfill and \$143 to the Refuse facility and collections operations.

PILT and Forest Reserve Act Funding

There are 2 major federal programs through which Park County receives substantial funding.

Payment in Lieu of Taxes (PILT) funds are received annually from the federal government in lieu of taxes on federal property within the county and are dependent upon congressional appropriations. The Forest Reserve Act, also known as the Secure Rural Schools and Community Self Determination Act (SRS), was designed to provide assistance to rural counties and school districts to compensate for lost revenues from declining timber harvests on federal lands.

Funding for both PILT and SRS has lapsed as of this writing. The recommendation from the Montana Association of Counties is to budget anticipated revenues for SRS and PILT according to current law, even though it is very likely congress will extend both programs.

Past practice of the Board of Commissioners was to maintain a two-year cash reserve in the PILT fund in anticipation of any change in congressional policy, and the county has managed to maintain that reserve in the recent past. The current commissioners have expressed the goal of maintaining a one-year cash reserve in the PILT fund.

In fiscal year 2014, the amount that the county received for PILT was \$1,236,096, an 18% increase from the prior year. The county has budgeted PILT revenue for fiscal year 2015 at the same level as the prior year.

The majority of appropriations from PILT are transfers out to other funds in order to finance their operations. It is also used to pay for operating costs of certain services such as Public Safety issues, advisory services, motor pool maintenance, and local non-profit organizations providing public health and social services. Appropriations have been reduced 19% from \$1,821,865 in fiscal year 2014 to \$1,480,860 for 2015.

Title I of SRS is split between the county Road fund and local schools. In fiscal year 2014 the Road fund received \$369,425 through Title I, and the county has budgeted SRS revenue for fiscal year 2015 at the same level. Absent congressional action to extend SRS, future payments will revert to a 25% formula, which will be approximately \$62,614.

Title II of SRS is designated for special projects on federal lands nominated by a local Resource Advisory Committee, and Title III is to support community wildfire planning and protection. Because the allowable uses for Title III funds are restricted and under a deadline, in recent years the county elected to allocate 0% of its SRS payment to Title III. However, the DES coordinator recommends that the county allocate 4% of its SRS payment to Title III in fiscal year 2015, in order to fund community wildfire planning and protection activities.

BN Capital Fund

The BN Capital Fund was created with a settlement award from a lawsuit between Park County and the BNSF Railway in relation to pollution issues at the county landfill. In 2012 Resolution #1145 allowed the expenditure of interest accrued from the award on capital improvement projects and to repay the Search and Rescue building loan.

In fiscal year 2014 \$1,825,065 was appropriated for capital improvement projects, but only \$932,117, or 51%, was used. Several of the capital projects are ongoing. In fiscal year 2015 \$1,009,246 was appropriated for continuing funding for those ongoing projects as well as other identified projects. The majority of those appropriations are itemized below in the discussion on Capital Improvement Projects.

Permissive Medical Levy

Montana law allows local governments to permissively levy for the increase in employer contributions for group health insurance benefits. For fiscal year 2015 the commissioners approved a 3% increase to the county's contribution to employees' health insurance premiums over the prior year. The commissioners again levied the full amount allowed by the permissive medical levy.

Debt

The county has an allowable debt limit of \$38 million, per 7-7-2101 MCA, yet owes less than \$1 million to outside financing sources.

The county incurred an \$880,000 debt from the Montana Board of Investments in order to construct a new Search and Rescue facility on county land. Current interest rate on this loan is 1%, and total outstanding loan balance as of this writing is \$842,067. The county owes another \$77,800 to outside financing sources, all in governmental funds.

The Road Fund owes \$375,356 internally to the BN Capital Fund for financing its road graders.

There is no enterprise fund debt. The only debt service fund of the county is one created from Junk Vehicle program reserves to fund future compensated absences for that department.

Capital Improvement Projects

Major capital projects budgeted in fiscal year 2015 include the following:

- Park County received two Federal Lands Access Program grants.
 - The Main Boulder River Road Improvements grant is a \$6.5 million project to improve a road that winds between Park and Sweet Grass Counties providing access to the Gallatin National Forest. The local match will be shared between both counties, and Park County has budgeted \$19,000 in fiscal year 2015, to be provided by the BN Capital Fund.
 - The Gardiner Gateway project is an \$11.8 million project aimed to reduce congestion, improve safety, and provide parking in the unincorporated town of Gardiner, which is the north entrance to Yellowstone National Park. Park County has budgeted \$511,256 in fiscal year 2015 as its share of local match, to be provided by the BN Capital Fund.
- Montana Department of Transportation's Community Transportation Enhancement Program (CTEP) has approved 2 projects, which are budgeted in fiscal year 2015.
 - A Museum display project planned for the Cooke City Community Center to highlight the scenic Beartooth Highway and surrounding community was begun in fiscal year 2014. For fiscal year 2015, \$43,301 is appropriated to complete the project, with local matching funds coming from the Cooke City Community Center.

- A sidewalk extension project in Gardiner will be undertaken by the Montana Department of Transportation. The Greater Gardiner Community Council will be providing \$10,878 for the county's local match, however the county has budgeted that amount as a pass through.
- The Federal Aviation Administration approved a project for the Mission Field Airport to acquire snow removal equipment and construct a building to house the equipment. The \$384,300 project will be funded with a combination of an FAA grant, a loan from the Montana Aeronautics Board, and \$20,000 from the BN Capital Fund.
- Rehabilitation of 4.8 miles of Rock Creek Road, begun in fiscal year 2013, is expected to be completed in the summer of 2014. This \$1.3 million project is funded with a \$1,000,000 grant from a local landowner and \$339,000 in county matching funds from the Bridge and BN Capital Funds.
- The Sheriff Department is in year 2 of a 3 year plan to purchase and implement a mobile data system, in cooperation with the city of Livingston Police Department and Dispatch. Year 2 expenditures for the Sheriff Department are expected to be \$49,571.
- The county has budgeted \$173,865 as its share of replacement HVAC units for the city/county complex building, which will come from the BN Capital Fund. The cost for this project is split with the city of Livingston on a pro rata basis.

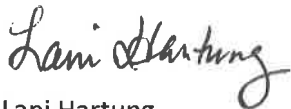

Other details of note

In the spring of 2014 the commissioners declared a local emergency due to flooding in creeks and streams countywide. Park County incurred many expenses by Road and Law Enforcement related to this. Two mills were levied in the Emergency Disaster Fund in order to pay for non-reimbursed expenses incurred by the county in order to ensure the health, safety and protection of its residents.

The residents of the unincorporated community of Gardiner approved the imposition of a resort tax on goods and services within the taxing district, beginning in July 2014. It was estimated that \$1,000,000 may be raised and expended in its first year of implementation.

The Consumer Price Index increase for 2013, the last complete year for which records are available, was 1.5%. This index is often used as a basis for salary adjustments. Counties are free to provide salary adjustments for elected officials based upon a recommendation from the County Compensation board. Park County's Compensation Board recommended that elected officials receive a 3.1% increase to their base salary for fiscal year 2015. Wages for non-elected county employees were increased 1.5%.

Respectfully submitted,

Lani Hartung
Park County Finance Director

Fiscal Year 2015 Budget

RESOLUTION NO. 1193

**A RESOLUTION BY THE BOARD OF COUNTY COMMISSION, PARK COUNTY,
MONTANA, ADOPTING THE FINAL BUDGET FOR THE COUNTY OF PARK
FOR FISCAL YEAR 2014-2015, ESTABLISHING THE TAX LEVY,
AND AUTHORIZING APPROPRIATIONS**

WHEREAS, the Finance Officer has presented the preliminary budget for fiscal year 2014-2015 to the County Commission per Section 7-6-4001 *et seq.* Montana Code Annotated (MCA); and

WHEREAS, the County Commission has considered the budget and has made revisions, reductions, additions and changes deemed appropriate as set forth in the preliminary budget; and

WHEREAS, a copy of the preliminary budget has been placed for public inspection in the Accounting Office at 414 East Callender Street, Livingston, Montana; and

WHEREAS, following due notice pursuant to Section 7-1-2121, MCA, a public hearing was held on August 26, 2014 by the County Commission on adopting the final budget for fiscal year 2014-2015 at which time any taxpayer or resident was allowed the opportunity to speak for or against any part of the proposed budget.

NOW, THEREFORE, BE IT RESOLVED, by the County Commission of the County of Park, Montana, as follows:

Section One: That the final budget for Park County, Montana, for fiscal year 2014-2015, attached hereto as "Exhibit A" and which is hereby incorporated into this resolution by this reference as though fully set forth herein, is hereby adopted, and the appropriations as set forth therein are hereby made.

Section Two: That the County Commission of Park County, Montana, hereby fixes and levies the general all purpose mill levy against all taxable property, both real and personal, in Park County, Montana, and special revenue mill levies against each district's applicable taxable property, both real and personal, in Park County, Montana, for the fiscal year beginning July 1, 2014, and ending June 30, 2015, as follows:

Fund	Title	Mill
1000	General	25.08
2130	Bridge	6.0
2140	Weed	1.6
2160	Fair	2.4
2170	Airport	.85
2180	District Court	3.2
2190	Comprehensive Insurance	6.8
2220	Library	2.75
2280	Senior Citizens	.1
2300	Law Enforcement	33.5
2360	Museum	2.25
Total General Mill Levy		<u>84.53</u>

Other levies:

Fund	Title	Mill
2110	County Roads	14.76
2200	Mosquito	.73
2220	Library	2.5
2230	Ambulance (County only)	1
2230	Ambulance (County wide)	4.647
2250	Planning	1.34
2260	Emergency Disaster	2
2281	Angel Line	2.138
2372	Permissive Medical Levy	14.05
2382	Search & Rescue	1

Section Three: That the effective date of this resolution is July 1, 2014.

Section Four: That the taxes levied hereby shall be collected by the County of Park, Montana, and the Board of Commissioners of Park County shall cause to be certified to the County Treasurer and the County Clerk & Recorder of Park County, Montana, a copy of this Resolution immediately after passage.

Section Five: The County Commission is hereby authorized pursuant to Section 7-6-4031 MCA to transfer appropriations between items within the same fund.

Section Six: Pursuant to Section 7-6-4006 MCA, appropriations may be adjusted

pursuant to procedures authorized by the County Commission for:

- (a) debt service funds for obligations related to debt approved by the governing body;
- (b) trust funds for obligations authorized by trust covenants;
- (c) any fund for federal, state, local or private grants and shared revenue accepted and approved by the County Commission;
- (d) any fund for special assessments approved by the County Commission;
- (e) the proceeds from the sale of land;
- (f) any fund for gifts or donations; and
- (g) money borrowed during the fiscal year.

Section Seven: Pursuant to Section 7-6-4012 MCA, the County Commission hereby authorizes adjustments to appropriations funded by fees throughout the budget period which are based upon the cost of providing a service and are fully funded by the related fees for services, fund reserves or nonfee revenue such as interest for:

- (a) proprietary fund appropriations; or
- (b) other appropriations specifically identified in the final budget resolution as fee-based appropriations.

PASSED AND ADOPTED by the Board of County Commissioners this 26th day of August, 2014.

BOARD OF PARK COUNTY COMMISSIONERS

Clint Tinsley, Chairman

Martin Malone

Jim Durgan

SPECIAL REVENUE FUNDS

2000

Special Revenue Funds are used to account for proceeds of specific revenue sources that are committed or restricted to expenditures for specific purposes other than debt service or capital projects. A special revenue fund normally derives its revenue from local general property taxes, assessments, grants, or shared revenue from another government.

Park County has 53 special revenue funds for which it has budgeted either revenues or expenditures in fiscal year 2015.

SUMMARY OF SPECIAL REVENUE FUNDS (2000)
2014 - 2015 FISCAL YEAR BUDGET

FUND #	FUND NAME	Beginning Fund Balance July 1, 2014	Plus Budgeted Revenue	Less Budgeted Expenditures	Expected Ending Fund Balance June 30, 2015
2100	Cooke City Resort Tax	106,842	159,800	242,658	23,984
2103	Gardiner Resort Tax	0	1,000,000	1,000,000	0

DEBT SERVICE FUNDS

3000

The purpose of Debt Service Funds is to account for the payment of interest and principal on long-term bonded debt other than revenue bonds. Montana statutes specify that a single debt service fund be established for each general obligation bond, special assessment bond, judgment levy, and S.I.D. revolving.

Park County has one debt service fund, 3200 Compensated Absence Fund specifically for the Junk Vehicle program. The purpose of this fund is to “pre-pay” the costs associated with an employee retiring and leaving public service, per 7-5-2150 of the Montana Code Annotated.

No revenues or expenditures were budgeted for Fund 3200 in fiscal year 2015, thus no detail is included.

CAPITAL IMPROVEMENT PROJECT FUNDS 4000

Capital Improvement Project Funds are used to account for revenues received from bond or other long term general obligation debt issues, special assessment debt issues, grants, or shared revenues from other governments, transfers from other funds or other sources, and used to acquire and/or construct major, long-lived capital facilities and/or capital assets, other than those financed by Enterprise Fund revenue.

Park County has the following Capital Improvement Project Funds for which it has budgeted either revenues or expenditures in fiscal year 2015:

Road and Bridge CIP, Road and Bridge Equipment CIP, Junk Vehicle CIP, Fair CIP, Law Enforcement CIP, Angelline CIP, Facility Improvements CIP, Weed CIP, Gardiner Federal Lands Access Project, and BN Capital CIP.

ENTERPRISE FUNDS

5000

Enterprise Funds account for self-supporting activities of the governmental unit rendering services to the public, and financed primarily from user charges. Enterprise funds are identified in a separate group because of the nature of the accounting treatment recommended for them, that is, they are accounted for in a manner similar to a business.

Park County has 2 Enterprise Funds, which account for the Landfill and Refuse activities.

Local Budget Act: Title 7, Chapter 6, Part 40 MCA

History of mill values

The value of a county wide mill for fiscal year 2015 is \$40,001. The value of a mill is 1/1000 of the Total Taxable Value of property in the county less any Incremental Taxable Value.

The following pages are 2014 Certified Taxable Valuation Information sheets that are used for fiscal year 2015 levies.

This table records the mill value for each taxing district in the county. Some districts have assessments against something other than property values. For instance, the Green Acres Lighting District #2A has an assessment against each household unit, and the table indicates that in fiscal year 2014 there are 93 households.

**NOTE: 1998-1999 is the first base year under the provisions of Section 15-10-420, MCA. Each subsequent fiscal year becomes the base year for the next fiscal year. This section also allows an entity to carry forward any levies which could have been levied but were not to future periods.

The current year levies are at the maximum levels authorized under Section 15-10-420, MCA.

Levies that are voted/judgement/permissive levies listed below:

Annual Entitlement Distribution

Montana Code Annotated 15-1-120(3) outlines the local government entitlement share payment program. Each local government is entitled to an annual amount that is replacement for revenue received by local governments for diminishment of property tax base and various earmarked fees and other revenue that were consolidated in 2001. Reimbursement is made by direct payment from the state to the county, with the county distributing percentages to funds in a manner that reasonably reflects each district's loss.

Distribution FY15: \$ 763,715.25
