Below is a response from Lance Bowser about holding events at an FAA Airport.

Subject: RE: Other uses for Airport Property

To my knowledge the FAA does not have any specific issues with holding of such events, so long as it does not interfere with or cause closures for airport operations (or damage facilities / pavements). It is quite common for airports to hold car shows alongside airport fly-in events. Cut Bank Airport has held drag races and car shows for several years with their fly-ins. They are good ways to get the public up to see the airport. I'm sure they would be willing to give you some advice if you had questions. I know they have had lots of discussions with their insurance agents regarding such things.

I can put you in touch with them if you think it would be beneficial.

Sincerely,

Lance D. Bowser, P.E. | Project Manager

Subject: Letter to Mark Blomquist- Gardiner Hangar

Hi Shannan-

I was wondering if a letter was ever sent to Mark Blomquist who owns the dilapidated hangar at the Gardiner Airport?

Clint was under the impression that a letter had been sent stating he had to repair the hangar or dismantle it.

We have a board meeting on Tuesday the 27th and I would like to be able to report on this.

Thank you!

Noreen

No it has not. That was not my impression. I thought the board wanted to wait until Mr. Blomquist was back in Montana.

Subject: RE: Letter to Mark Blomquist- Gardiner Hangar

Hi Shannan,

Mark Blomquist was here and left again. He spoke with Ray Sundling by phone and asked Ray if he made repairs and fastened down the loose pieces if that would satisfy the board. Ray spoke with the board last month about that and one member wanted to make a motion to request that he remove the hangar or the county would do that and charge him. Clint thought that a letter had already been sent so it was put on hold until we knew for sure.

We have a meeting on Tuesday the 27th. **So I guess we can wait until then and get formal input from the board what action is desired and get the okay to proceed.** Hunter our Gardiner member wasn't at last meeting so his input should be helpful for this month's meeting. Then I'll let you know the decision.

Thank you!

Noreen
