As required by the Americans with Disabilities Act, we also provide Paratransit Dial-A-Ride (DAR) service, which is an appointment-based, shared-ride specialized public transit service for people who have disabilities or other conditions that might make it difficult for them to utilize our fixed-route service. DAR operates up to ¾ of a mile from our fixed bus route.

Prearranged para-transit services (an application process is required) are available Monday through Friday.

Schedule fluctuations may occur due to unforeseen breakdowns, weather, traffic, trains, etc.

If the designated stop area is blocked or seen as dangerous at the time drivers make a stop, they will find the safest spot to stop to pick up passengers, in the very near vicinity.

Please be at designated stops at least three to five minutes before the scheduled departure time.

Once permanent stops are determined, bus shelters will be incorporated based on future funding.

Drivers will pick up/drop off passengers at certain corners along routes IF it is safe AND IF they have time, based on departure times at other stops on the fixed route schedule.

The most recent version of the fixed route schedule is always posted on the Park County website—under the Transit Department page. Please refer to the schedule on that page, as it is the most accurate schedule.

We ARE NOT an ambulance service and DO NOT transport passengers in need of immediate medical attention. We do transport passengers to Livingston HealthCare for appointments.

Service animals or animals in small crates are allowed; emotional support and comfort animals are not allowed.
