## **CAROL WOODLEY CHICO CEMETERY RESEARCH**

### **HISTORICAL NOTE**

Carol Woodley, born in 1935, grew up in Park County, Montana. Carol married Carrol Noyd and they had five children, David, Debra, Leslie and twins Marlon and Marcy. In 1969 Carrol Noyd died. Carol Woodley and her five children moved to Livingston, where Carol worked for the Swandal – Douglas Law firm. At the firm Carol researched landowner water rights. This job developed her professional research skills that enhanced her pursuit of genealogy.

As a descendent of one of the earliest homesteaders in the Shields River Valley, her interest in her family genealogy expanded to include the entire county. Carol Woodley cofounded the Park County Genealogy Society, served as treasurer of the Montana State Genealogical Society and was a member of the Mount Hyalite Chapter of the Daughters of the American Revolution. For many years Carol worked as the Park County Special Collections Archivist. She was also a member of the Park County Cemetery Board and served on the Yellowstone Gateway Museum's Collection Committee.

Carol Woodley began researching the Chico Cemetery in 2006. Her extensive research on every individual buried in the cemetery took years and dedication. The first edition was published in 2012, *Chico Cemetery 1864-2012 Park County, Montanan A 148-Year Compilation of Interments - Individual Histories – Plats*. Carol continued researching and published a second edition in 2014, *Chico Cemetery 1864-2014*. The book contains the names, grave site locations and historical information on those buried in Chico Cemetery. Carol worked on updating the records for the Mountain View Cemetery in Livingston and instigating the annual cemetery walk. She also oversaw the Park County Genealogy Society's project to interpret and memorialize the internments at the Park County Poor Farm Cemetery.

Carol continued her research on the individuals buried in the Chico Cemetery until her passing on July 1, 2021.

the names of individuals not included in her second edition of the book along with information on the history of Chico Cemetery and the Cemetery Boards. Her additional research on the Poor House Cemetery, Strickland Cemetery and the crash of the B47 Crash Site is also contained in the third box.
